Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

SIMPLE PLEASURES: LITTLE THINGS THAT MAKE LIFE WORTH LIVING (HARDBACK)

Cornerstone, United Kingdom, 2010. Hardback. Condition: New. Language: English . Brand New Book. What are the little things that make life worth living? A walk in the countryside, perhaps; a log fire; a letter from a friend. In Simple Pleasures, some of the UK's best-loved writers and public figures ponder this conundrum and come up with their own answers, sharing their thoughts on, among other things, the joys of picking up litter, whittling sticks, reading aloud, and devouring a good cheese sandwich. With contributions from A. C. Grayling, Robert McCrum, Prue Leith, Sebastian Faulks and Ann Widdecombe, to name just a few, Simple Pleasures is perfect reading for anyone who appreciates - or aspires to - the finer, simpler things in life.
