An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

These Sons of Liberty have begun to build a new world upon the corpse of the old, but their dream is about to die. Refugees from the rubble of New York have begun to stream into Boston. The Sons of Liberty are struggling to help these fellow lost souls, but many of the refugees carry with them a strange illness which resists cure and is consistently fatal.
