A properly groomed coat plays a big part in a dog s health and happiness. Some people love the companionship, love and affection that owning a dog provides but they do not necessarily want to commit a large portion of each day to grooming their pet. Some breeds, such as the Poodle, take hours of practice and effort to groom properly and effectively. However there are multiple breeds that have very low maintenance coats that take little to no effort to groom. Dogs with especially hard coats to groom may need to be taken to a professional groomer on a regular basis which can end up costing a lot of money. This Top 10 Guide was created for the purpose of aiding potential new owners in choosing an Easy to Groom dog breed that suits their family, finances and personal situation. This textbook therefore includes a description, history overview and breed characteristics of each of the 10 breeds. It is important to remember that the highracy of dog breeds within this text book is based upon the collective opinion of the Dog Care Professionals family.
