**CLIMBING UP AND OUT OF DARKNESS TO THE RETURN OF ONESELF: LETTERS FROM HEAVEN .
(PAPERBACK)**

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Centered on the principles of universal enlightenment, Climbing Up and Out of Darkness to the Return of Oneself encourages you to envision and stand at attention to the truth of who you really are, both past and present. Katie Cardamone s reflections of her childhood and upbringing-the way her thoughts and ideas were fostered by her experiences of victory, defeat, and revelation-are a launching pad for exploration of your own heart and what it sees, hears, and feels. By exploring the depths of how light and love came into her life, Cardamone offers hope for the future and freedom from the past. Once you leave the past behind, you can begin to see the grace around you and where your future is leading. You can believe in your essence, and, as Cardamone says, you can sing your sweet, sweet song. Part memoir and part discussion, Climbing Up and Out of Darkness to the Return of Oneself invites you to get to know yourself in a more spiritual way and understand yourself in a heightened level of pure love.
