COMMON CORE STANDARDS--MATHEMATICS, GRADES K-5: A STEP BY STEP APPROACH

National Professional Resources (NPR), 2013. Other. Book Condition: New. Across our nation's classrooms, curriculum is being aligned to match with the Common Core State Standards (CCSS). But, there is nothing common about the students who must learn to master these standards. Each student possesses unique academic, social, emotional, behavioral, physical, communicative, and sensory levels and needs. This laminated reference guide offers baseline knowledge about the CCSS and is intended to translate the goals, expectations, knowledge, and skills into behavior that...

Complete manual! Its such a great study. We have read through and so i am confident that i am going to going to go through once again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
