Forgotten Books, 2018. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Excerpt from Modern Chrysanthemum Culture for the Million: A Handbook for the Amateur and Cottage Gardener HE enthusiasm inspired by this deservedly popular ?ower instead of diminishing increases yearly. Amateurs and Cottagers are now taking a keener interest in the cultivation and exhibiting of Chrysanthemums than formerly, and although this little book is written chie?y for those who grow the plants for exhibition, both large and small growers will find the instructions embodied in its pages a help to them, as the only difference between growing for exhibition and for home use is solely that the plants in the latter case are, as a rule, grown more bushy in shape to produce a larger number of smaller blooms. But in many instances large blooms of first-class quality are coveted for conservatory decoration at home, and in all cases, if the right methods be not adopted, such blooms are not forthcoming, notwithstanding all the labour which may have been bestowed upon the plants to bring about that result. We have endeavoured to give in this book what we consider the most important essentials (which wehave found to be absolutely necessary in our own practical experience) in the routine of culture and general management of the plants and ?owers, in as few words as possible. The attention of our readers is especially directed to the growing custom of exhibiting groups of Chrysanthemums with and without foliage plants, and also of cut blooms of Chrysanthemums and autumn tinted foliage, for effect. Some of the arrangements which have come under our notice have, indeed, been charming, and the large number of people...
