

Minerals

By Rebecca Faulkner

Capstone Global Library Ltd. Hardback. Book Condition: new. BRAND NEW, Minerals, Rebecca Faulkner, This "Freestyle Express" series parallels the existing "Freestyle" titles, using simplified text, making it easy for less confident readers to follow. Fun facts and famous discoveries add fun to the curriculum, attracting extra attention from readers interested in the topic outside of the classroom. Full colour photographic examples of rock types to help readers identify types of rocks and group characteristics, as well as human uses for each. Diagrams, illustrations and charts demonstrate concepts and characteristics to engage readers and re-iterate learning points throughout the text.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
