

## Marc Lepine (Paperback)

Filesize: 1.97 MB

### **Reviews**

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.*

*(Dr. Grady Jacobi DDS)*

## MARC LEPINE (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With extreme hatred in his heart against feminism, an act that feminists would label gynocide , a heavily armed Marc Lepine entered the University Ecole Polytechnique de Montreal, and after allowing the male students to leave, systematically murdered 14 female students. But what motivated Lepine to carry out this heinous crime? Mass murderer, madman, cold-blooded killer, misogynist, political zealot? Or was he simply another desperate person frustrated with his powerless status in this world? The case of Lepine has been debated among the most prestigious criminologists in the country. This account entails some of the most controversial opinions of these experts to date. Only one thing is known for sure - Lepine s actions on December 6, 1989 radically changed this country and why he did what he did is much more complex than we will ever know. This is the second book in Crimes Canada: True Crimes That Shocked The Nation collection. The third volume will be released in May by Peter Vronsky - Paul Bernardo and Karla Homolka: The Ken and Barbie Killers bit.ly/CRIMESCANADA.
