Child Development: A Practical Introduction

By Kevin J. Crowley

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Child Development: A Practical Introduction, Kevin J. Crowley, Covering all the main areas of study and assuming no prior knowledge of the topic, this book takes the reader through the key elements of child development. Drawing on research, and referencing key theories in the field, it provides students with a comprehensive overview of the subject and its application to early years practice. Topics explored include: * The development of language and literacy * Cognition and memory * Social and emotional development * Physical development (including reference to Development Matters and the EYFS age two progress check) * Child development and the early years curriculum * Researching child development Learning features that help to make the text accessible include: chapter overviews; questions for discussion; suggestions for further reading and an end of chapter glossary.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- Joshua Gerhold PhD

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

-- Meagan Roob
