TURNING THE FEATHER AROUND: MY LIFE IN ART (PAPERBACK)

Minnesota Historical Society Press,U.S., United States, 1998. Paperback. Condition: New. Language: English . Brand New Book. For fifty years George Morrison has had an active part in the world of contemporary art, and he is widely recognized as one of the most important Native American painters of his generation. In *Turning the Feather Around: My Life in Art*, Morrison tells about his life's journey, which began in a small Ojibway community on Minnesota's North Shore and took him to Europe and New York City during one of the most exciting periods of twentieth-century art. Morrison's return to Minnesota and his Native American roots is a powerful human story of creativity and spirituality in the life of a powerful artist. Evan M. Marriage and a teaching job at the Rhode Island School of Design seemed to fix his career firmly in the East. But in 1970, his direction turned toward home, and George began to search out his Ojibway heritage. His luminous small horizon paintings reflect his return to the big water. *Turning the Feather Around*, the title taken from a name given to George in a healing ceremony, is a work of intimate personal disclosure that captures the pulse of...
