*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Giete. Hardback. Book Condition: new. BRAND NEW, Pride of Mercia, Wallis Peel, When King Penda dies after losing the battle to King Oswiu of Northumbria, the Mercians are devastated to realise they will be subjugated and have to pay tribute to their hated enemies. Penda's oldest son becomes king but the ealdormen, led by Burhred, do not support him, yet realise that Wulfhere the younger son is not ready and would not be a popular choice. Wulfhere is whisked away along with Aidan, a tough churl, to a remote village where he is to be turned into kingly material, but not without treachery from the local lord of the manor. And while Wulfhere and Aidan deal with treachery, back at home there is murder. But who, and why? Elfrida and Alicia are the two women of this tale: Elfrida, feisty and courageous, desperately in love with Wulfhere, who doesn't even notice her; Alicia, shrewish and devious, madly in love with Elfrida's brother, and determined to have her scheming way. This is a tale set in the seventh century with family and political infighting at its core. These themes are as relevant today as they were then and this is why Wallis Peel's stories are so gripping.
