These visions as repeated to us, resemble the Simulacra of the ancient Romans. The wraith called the Double, is in effect a dual image of one s self or of another person still living, which, when it appears, is supposed to be predictive of the near-coming death of the person whose shadow is thus projected from out that spirit land he is so soon destined finally to enter. In other words, the appearance of the Double is regarded as a premonition of death. Henry C., a respectable man, told us that, when a boy of ten years of age, he saw one of these visionary likenesses, --the Doppelganger of the Germans. He shared the same bed with his father s brother, Christopher, and one day he awoke and saw in the early gray of the morning, standing near the...
