Vision, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Paris is burning--and only Private s Jack Morgan can put out the fire. When Jack Morgan stops by Private s Paris office, he envisions a quick hello during an otherwise relaxing trip filled with fine food and sightseeing. But Jack is quickly pressed into duty after a call from his client Sherman Wilkerson, asking Jack to track down his young granddaughter who is on the run from a brutal drug dealer. Before Jack can locate her, several members of France s cultural elite are found dead--murdered in stunning, symbolic fashion. The only link between the crimes is a mysterious graffiti tag. As religious and ethnic tensions simmer in the City of Lights, only Jack and his Private team can connect the dots before the smoldering powder keg explodes.
