The Intentional Inclusionist(TM) is for leaders who want to grow as inclusion-minded individuals and exercise their leadership to enhance the workplace, build communities, and have a positive impact on any circle of influence to which they belong. This book, inspired by philosophies of leadership and inclusion, contains principles to help individuals become more intentional in how diversity and inclusion is understood and practiced at the individual level. No matter what your role-an executive, a manager, a business owner, or someone interested in seeing our world improve-you have the power to drive change. It starts with each of us committing our lives to the work of inclusion, believing that our collective effort, one person at a time, one story at a time, can change the way the world looks at human difference.
