Frances Lincoln. 1 Paperback(s), 2011. soft. Book Condition: New. This third book in John Gillham's series encompasses the Ffestiniog and Moelwynion ranges, magnificent peaks of Welsh slate. East lies the Migneint, a great moorland desert of heather and low craggy tors, and the Arenig mountains declining to the lake at Bala. The Berwyn range of fine heathery ridges stretches from Llangollen to the Tanat Valley at Llangynog. "Snowdonia's answer to Wainwright" (Mail on Sunday, London), Gillham has hiked the peaks of Wales's Snowdonia National Park as thoroughly as Alfred Wainwright walked the fells of the Lake District. Gillham's four-volume series of pocketable guides, illustrated with color photos and route maps, offer not just a way up and a way down, but any number of possible paths through the mountainous region."If you were to lay down a map of Snowdonia, close your eyes, spin around a time or two and plonk your finger down at random, chances are you would find that exact location covered, in surprising detail, in John Gillham's Pictorial Guides."Britain 336.
