Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.AMONG those races of man which have made the least progress in civilization we find that the men of a group or community are in the habit of procuring wives by seizing and carrying off the women of other groups or communities. It is the practice, for instance, among the Fuegians, the Australians, the tribes of the Amazon, some of the aborigines of the Deccan, several of the Malay peoples of the Indian Archipelago, many African tribes, and other peoples too numerous to be here given in detail. Shortly summarized, it may be said that the practice is caused by the scarcity of women, which results from female infanticide, which in its turn is due to the struggle for existence, necessarily hard among savage races who trust wholly to the chase and the spontaneous fruits of the earth for their supply of food. Wherever man lives under such precarious conditions each extra mouth to fill becomes a matter for serious consideration, and as male infants, future hunters and braves, are of more value to the group than female,...
