This activity-packed set of early flashcards is ideal for learning the alphabet, and will help children foster a love of nature What better way to teach your child to read than through the natural world? These flashcards are packed with more than 25 activities, all based on essential preschool concepts such as colors, shapes, numbers, counting, matching, and letter recognition. Their fold-over format is perfect for parents and children to look at together, and for putting up around the home to reinforce letter learning. Each card features a lower case letter on the front, an activity inside, and an upper case letter on the back. Letter Z opens out to reveal a double gatefold featuring all the letters of the alphabet that you can spot outside.
