He leaves everything he trained for to follow his dream to become a minister in rural Wyoming. Jenny, his fashion stylist wife, leaves the milieu and life she loves to join him. The certainty they share is that their destinies are linked forever. Fast forward thirty-eight years. Robert is a hard-working independent book publisher in Manhattan, looking for one big hit novel to publish. Lilibet is a young Amish woman, living as though in the seventeenth century, caring for her widowed father and three young brothers on their family farm. In secret at night, by candlelight, she has written the novel that burns within her. When it falls into Robert's hands, he falls in love first with the book, and then with the woman he has never met. In the hands of bestselling author Danielle Steel, these two remarkable relationships come together in unexpected and surprising ways, as lovers are lost, and find each other again. If it is true that real love lasts forever and lovers cannot lose each other, then Until the End of Time will not only comfort and fascinate us, as destiny does her dance, but it will give us hope as well. Love and fate are powerful, irresistible forces, as Steel proves to us here, in a book about courage, change, risk, and hope.and love that never dies.
