This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from The Meaning of the Mass: Five Lectures With Other Sermons and Addresses I have been asked to speak to you on five evenings this Lent on the one great Christian act of worship, the only service founded by our Lord Himself: the service which in all essentials is the same now in the twentieth century as it was in the first, the same here in England as it is all over Christendom. And I propose to take, in order to guide us in our study, five of the names by which this service has been widely known. To-night I take The Sacrifice of our Redemption. This title you will find, at any rate, as far back as the fourth century. I take it from the Confessions of St. Augustine, a charming as well as a valuable book, one of the great books of the world, which I specially ask you to get and make your own this Lent, if indeed you have not already done so. In the last chapter but one, speaking of his mother Monica's burial, he says: - We went and returned without a tear. Not even at those prayers which we poured forth unto Thee, when the body rests beside the tomb, before it is committed to the ground, and the Sacrifice of our Redemption is offered for the departed, as is the custom there - not even at those prayers did I weep.
