Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

SNOWDROPS ADVENTURE THREE

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 78 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Growing up, I loved Russian fairy-tales, but when I tried reading them to my son, in Arizona, he wasn't impressed. The stories felt foreign and dated to both of us. But I still loved the characters and the magic of these fairy-tales, so I decided to write a series aimed at American kids. This is the third book in the series that starts on a warm June morning at Aunt Karina's house, but the air suddenly turns cold. Thick white snowflakes are falling down and covering the ground. Ten-year-old Alex is surprised and delighted. He senses the approach of a new adventure. Together with his nine-year-old sister Katie, they rush into the winter forest in search of a little girl Masha. She is lost in an unexpected storm. They see her footprints in the snow and follow them. The wind is picking up, whistling through tree branches, creating white flurries on the ground and erasing Masha's footprints. Will they be able to find Masha before the wind completely hides her path? Alex, look, there is Masha! Katie says. In the distance, a person dressed in a white sparkling coat and a silver hat is walking between the trees. Alex and Katie run as fast as they can. The person turns around. It's not Masha. It's a tall elderly man with a long white beard. In his right hand, he holds a staff. In his left, he carries a large sack adorned with white sparkling fur. His brows are furrowed, and his eyes look cold and unfriendly. Who goes here the elderly man bellows. Why are you in my forest? Who invited you here? He opens his mouth and starts blowing cold air at...
