Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. MICG grew from a single-advisor practice into a billion-dollar wealth management firm providing a broad array of financial services in 46 states and 5 countries. The company was recognized for its quality investment track record, its extraordinary client experience, and its unique A-player corporate culture. But, in 2008 everything went wrong. What took two decades to create, disappeared seemingly overnight. Or, was it death by a thousand cuts? Because of attorney orders and court stipulations, the actual sad story has never been told. Inside, Jeff Martinovich attempts to recount the events in a simple, straight-forward style for those who have questioned, -How could this have happened?- For inquiries please contact.
