

The Real Wood Bible: The Complete Illustrated Guide to Choosing and Using 100 Decorative Woods (Paperback)

By Nick Gibbs

FIREFLY BOOKS LTD, Canada, 2016. Paperback. Condition: New. Revised edition. Language: English . Brand New Book. A practical and inspiring A-Z guide to the world s most popular woods. Many of the world s most beautiful and useful woods are in serious decline due to over-harvesting and environmental degradation. The Real Wood Bible gives the current sustainability status of these rare and important woods. Wood is a favoured building material because of availability, ease to cut and join, decorative properties, functionality, flexibility, and a favourable strength-to-weight ratio. The Real Wood Bible is a comprehensive handbook for anyone who works with wood.or is planning to. Woodworkers, crafters, carpenters and interior designers will find extensive information about the woods they regularly use as well as discover some new ones. This colourful, easy-to-use book features: * How trees are converted into boards and veneers; * How to convert your own trees into boards; * Woods that incorporate beautiful natural effects; * A list of woods available from sustainable sources; * Useful advice on buying and storing lumber. An extensive and illustrated A-Z guide to the world s most popular woods is at the heart of this book.Each wood is shown with a colour...
