You may not hear it, but you feel it, every day as the news on Planet Earth unfolds. What do we do in the face of a world that seems to be spinning out of control? Shivel up in fear and doomsday dread? Eat, drink, and be merry? Neither of these extremes appeals to most of us. The fact is, the crises of our day are beyond the scope of our best scientists, politicians, generals and religious leaders. God alone--the Creator and sustainer of all-- is up to the task. Does He exist? Can His Plan be known? The greatest claim this book makes is that it points its readers to the ultimate Book of Truth--The Bible. Citing verses from Genesis to Revelation, it presents God s epic Plan. These pages will open ancient prophecies to you that reveal where we are today with regard to God s Time Capsule, and how YOU can find refuge in Jesus Christ, today and for all eternity. Isaiah 40: 8 says, The grass withers, the flower fades, but the word of our God stands forever. It is written, and will come to pass. Tick.tick.tick.
