DON T EAT DEBT: IT S BAD FOR OUR NATIONAL HEALTH (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Carlton created the single best resource to give you a clear understanding of the 2008 crisis and the American Monetary system. Realizing the parts of the crisis are as intertwined as the ingredients of a sausage, Don t Eat Debt breaks down the parts of the 2008 crisis in such a skillful manner that any non-economist will understand. He explores how innovative Wall Street executives created the impenetrable securities to profit from the misery of lower--and middle--class Americans who can t pay their debts while enabling everyone from independent investors to too big to fail companies like A.I.G to make billions! Carlton doesn t stop there, but goes on to explain the American Monetary history and system. Don t Eat Debt closes with vital information to insure you won t be blind sided by the next big market bubble. All this in a book so simple to understand that even a fifth grader would get an easy A+!
