Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

MISSING THE POINT?: DISCUSSION STARTERS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are we Missing the Point? Amid increasing concern that young adults were becoming increasingly disillusioned, Robert Shield set out on a quest to understand and connect with their dreams, passions, and frustrations. After numerous informal conversations he looked for a tool to bring focus to conversations that were passionate, and yet often did not help gain momentum in life. He wanted to help young adults to ponder important questions rather than merely vent their frustrations. After an extensive search, the only books found were written to Baby Boomers about Millennials. Robert wanted a book that would be a quick read that would be a catalyst for great conversations. It does not provide many answers, but is a great foundation for conversations about important topics. Before your next conversation at the coffee shop or fire pit, read a chapter of Missing the Point?.
