Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Kingdom Education How to obtain a successful College Degree in the Liberal Arts with Bible Study emphasis, debt Free! Major in a book of the bible instead of fruitless enterprises! Are you tired of the headlines in today s news, which state that College Tuition Rate is Increasing, Christian Students Questioned for Their Faith, Tax Increases 10 Times, Leaving Widows Homeless to Fund Free College, and Massive College Debt Leaves Students Homeless after Graduating ? What about knowing that a terrorist or a politically angry feminist actively obtained a bachelor degree from a Christian University while the poor repentant believer is denied an ability to speak at such a university? These things should not be in existence, as classical literature and history shows us that Christianity is the foundation of western thinking and morality and is the spiritual fruit for Eastern thinking! What about the feeling that a bible-believing Christian has neglected home and community for selfish pursuits, rather than real world experience and heartfelt change? Or what about cases of Christian hypocrisy when facing the trials of life, where if they only knew a better solution, they would not have made such poor choices? These problems do not have to be in existence. This book offers solutions to these problems and more. Life is about celebrating independent thinking to rule out pride, to secure a true degree in the kingdom and in righteousness. Obtain such a degree without the hassles of debt and needless energy to study empty literature! The results of a liberal arts bible college degree, is not in the selfish pride of knowledge. It is in the overcoming of self, and willingness to serve others better out...
