Random House USA Inc, United States, 1994. Paperback. Condition: New. Reprint. Language: English . Brand New Book. With the same deadpan mania and genius for dislocation that he brought to his internationally acclaimed novels *A Wild Sheep Chase* and *Hard-Boiled Wonderland and the End of the World*, Haruki Murakami makes this collection of stories a determined assault on the normal. A man sees his favorite elephant vanish into thin air; a newlywed couple suffers attacks of hunger that drive them to hold up a McDonald's in the middle of the night; and a young woman discovers that she has become irresistible to a little green monster who burrows up through her backyard. By turns haunting and hilarious, *The Elephant Vanishes* is further proof of Murakami's ability to cross the border between separate realities -- and to come back bearing treasure.
