## THE YEAR OF NO MONEY IN TOKYO

[DOWNLOAD](#)

Paperback. Condition: New. 169 pages. You have either experienced unemployment or know someone who has. But what is it like to endure joblessness in a foreign country in the middle of an economic crisis? How would one survive cash-strapped circumstances in an insular nation for close to a year? In his beautiful and intelligently written travel memoir of unprecedented insight, Aponte tackles these questions as he tells his intimate, first-person, true story about triumphing over adversity, in the form of being broke and American, in Japan, during the country's worst recession, since the Second World War. Along the way, he uses the wise perspective of an outsider to demonstrate convincingly the financial, emotional, and psychological effects of yearlong poverty on a foreigner; how economic hardship can be an opportunity for reinvention; and an aspect of what it is like to be black and simultaneously American in Japan. His book of creative non-fiction will inspire all people who have encountered personal obstacles by showing them that they can recover, even under the most difficult conditions. **THE YEAR OF NO MONEY IN TOKYO** will interest a variety of readers, from economists and financiers, to those concerned with today's economy, students of Japanese culture, and those who enjoy an uplifting message about hope, human kindness and perseverance. Wayne Lionel Aponte's gift of observation, subtlety, and wry humor make his travel memoir an extraordinary pleasure to read. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
