Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Sun Tzu's The Art of War and Machiavelli's The Prince both are fundamentally important works related to the areas of strategic leadership and decision making. Although almost every leader has heard of these works, very few have read them in depth and applied the lessons they contain to their own life. This is a huge oversight. Both books contain wisdom and advice which is applicable to almost any situation a leader finds they are in. Both books have a reputation for being dense and difficult to understand. This is due to the fact that both were written in other languages and for other time periods. It can be difficult to know exactly what Sun Tzu and Machiavelli intended to convey with their words - and even less how to take action on the ideas. This has all changed. For the first time ever, the ideas of The Prince and The Art of War have been combined, updated and presented in a way which is easy to understand in our modern era. Previously hard to interpret concepts have been clarified and shown to be as useful in our own era as they were in the one for which they were originally written. By reading and taking action on this book entitled Sun Tzu Machiavelli Leadership Secrets by author Anthony D. Jensen, you give yourself the chance to become the most effective leader you can be. You will learn how to use timeless principles of leadership, psychology and power to achieve everything you set out to do. Both your private and professional lives will benefit immensely from understanding and applying the leadership secrets of Sun Tzu and Machiavelli.
