Earthlight Books is a family owned and operated, independent bookstore serving Walla Walla, Washington since 1973. Could it be that, 30 years after they formed the vanguard of the American social revolution, the "hippies" of the 1960s can offer sage advice on the looming Y2K computer bug crisis? In this authoritative handbook, "The Hippy Survival Guide to Y2K," author Mike Oehler says yes, they can. He's a '60s hippy who holds dear the philosophies that led him to a self-sufficient, back-to-the-land life in rural Idaho. In a readable and anecdotal style, supported by exhaustive research, Mike explores the possibility that on January 1, 2000, a simple programming error will cause disastrous computer crashes around the world. With a focus on strategies for surviving the disruption of social services, Mike has packed this book with information on how to: Get clean water if water systems fail, stay warm in January if the heat goes off, find free food at any time in the city or country, find the safest places to live, build a shelter that will take you through anything, and much more. Oehler applies his own years of...
