## THE HOUSEHOLD GUIDE TO DYING (HARDBACK)

HarperCollins Publishers, United Kingdom, 2008. Hardback. Book Condition: New. 220 x 142 mm. Language: English . Brand New Book. A brilliantly moving and darkly comic novel, which charts the attempts of dying heroine Delia -- a modern day Mrs Beeton -- to prepare her family for the future and lay to rest a ghost from her past. Inspired by her heroine, Isabella Beeton, Delia has made a living writing a series of hugely successful modern household guides, as well as an acerbic domestic advice column. As the book opens, she is not yet forty, but has only a short time to live. She is preoccupied with how to prepare herself and her family for death, from writing exhaustive lists to teaching her young daughters how to make a perfect cup of tea. What she needs, more than anything, is a manual -- exactly the kind she is the expert at writing. Realising this could be her greatest achievement (for who could be better equipped to write *The Household Guide to Dying*?) she sets to work. But, in the writing, Delia is forced to confront the ghosts of her past, and the events of fourteen years previously. There is a journey she needs to make, back to the landscape of her past, and one last vital thing she needs to do. Hugely original, life affirming and humorous, *The Household Guide to Dying* illuminates love, loss, family and the place we call home.
