

Primary Arithmetic: Parts I and II (Classic Reprint) (Paperback)

Filesize: 2.69 MB

Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.
(Dr. Lukas Hills DDS)

PRIMARY ARITHMETIC: PARTS I AND II (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Primary Arithmetic: Parts I and II The bonsall-mercier Arithmetics cover the entire course in arithmetic for the primary and intermediate schools of the Philippine Islands. They aim to exclude cumbrous methods and useless material, and to appeal constantly to the pupil s ability to think. The Primary books of this series are intended to supply the need long felt by both Filipino and American teachers for well graded elementary arithmetics, written in simple language, and making use of material familiar to the Filipino pupil. A judi cions combination of the spiral and topical methods has not only made the grading progressive and easy, but has made possible a presentation of essentials which the pupil can readily comprehend. By means of numerous illustrations and problems dealing with subjects in which the pupils have a genuine inter est, the school work is connected with real Philippine life. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
