COMMUNITY AS HEALING: PRAGMATIST ETHICS IN MEDICAL ENCOUNTERS (PAPERBACK)

ROWMAN LITTLEFIELD, United States, 2001. Paperback. Condition: New. New. Language: English . Brand New Book. Starting from the insights of classical American pragmatism, this book argues for a higher notion of the relationship between individuals and their communities. This newly enriched notion supports a more participatory engagement between physicians and patients which takes ethical medicine to be a community of healing enjoyed by health care professionals and those they care for.
