*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Excerpt: . . . intellectual pride; but the great mass have imbibed one and one only method of acquiring Catholic truth. The Church, as they have been taught, in her full practical exhibition, is their one infallible guide. They well know that, if they would learn their religion, they must open their heart unreservedly to the Church's full influence; study for their guidance those manuals and spiritual books which she places in their hand; listen with docility to the instruction of her ministers; practise those duties which she prescribes in the very form in which she prescribes them; labour, in one word, that that great body of truth may sink silently and deeply into their heart, which her whole system of practice and discipline inculcates and implies. Now it is a principle of Catholicism, that wherever the body of the faithful has unanimously imbibed one impression of fundamental doctrine, a strong presumption arises of such impression being the true one. t But even otherwise--is there any one who would openly say that there is a royal road to religious truth that the highly cultivated intellect is to seek it by a method, essentially different from that accessible to the ordinary believer that far less deference is due to the Church's practical guidance from the former than from the latter An affirmative answer to this question is As the blood flows from the heart to the body through the veins; as the vital sap insinuates itself into the whole tree,...
