*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## ANGELS SHADE (VOLUME 1)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 304 pages. Dimensions: 8.0in. x 5.2in. x 0.8in. I was never meant to fall for you, because I'm always falling from grace myself. Since I witnessed my dad's murder at the age of nine, a darkness has kind of clung to me. It comes in the form of sleep paralysis. I am literally torn out of my physical body, and attacked by a cloaked figure, who likes to suck on my soul. I hide the fact I've not slept a full night in years well. I have to. If I begin to crumble, then I'll be torn to shreds at Mesa High, and my shrink will have me in a straitjacket, on meds, before I know it. Everything has been under my control, all until bad boy, Tristen Blake, pulled into the school gates on his vintage bike, picking fights and generally being an ass. He's wrong in all the right ways, and when he appeared in my bedroom, in some whacked out dream, I thought I was losing my mind. I thought I had secured myself a one way ticket to the loony bin. I soon discovered there is a reason for everything, and it all spans back to my dad. He wasn't the man I thought he was. In fact, he wasn't a man at all. The only one who can help me now, is Tristen. I've put my soul into his hands, but he has otherworldly dark secrets himself. Secrets that bring us closer than close. Secrets that tear us both away from a path that was paved out for us. Please be aware that due to bad language and some scenes of violence, this novel is not appropriate for those under the age of...
