Createspace, United States, 2012. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.1st book in the CLP series The world you know is perceived to be a big place, the solar system is even bigger, the universe is bigger still, but if you compare that to my dimension, it is tiny but as size is all relative not entirely insignificant, though fairly dull if you compare it to the many others. Most people will only ever be able to perceive their own dimension and so they stay pretty fixed in their own world, but occasionally some individuals are set free and they enter into a whole new way of thinking. Shattering everything they ever knew, to a life style they could never comprehend, and for one young girl it was just about to start of a journey from which she could never return. This young girl appeared to be an ordinary girl, a girl much like any other. A girl that could have quite easily have been living next door to you, you might have even past her on the streets. She lived as thousands, possibly millions, of other teenage girls do, with the normal hopes, fears and concerns. Until one crucial day, something happened that would change everything, not just in her life, but in everybody else s. A chain of events started that would ultimately decide the fate of the human race, despite the fact that very few of them where aware of our existence. This girl was called Charlotte Luna Pitch, and this history altering day was when she finally joined the world of shadows. She entered a dimension, a dimension called Indention, where she would join a superior race of beings. The Shadows. She would find...
