

A Second Coming: [Birth of the Poet] a Memoir (Paperback)

By David Swartz

iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A terrifying descent into madness, the first fearful steps on the path to recovery, this uncompromising memoir captures all the urgent and hypnotic tension of a commercial thriller. A Second Coming -the companion volume to Swartz s great long-poem The Will to Christ -is a probing investigation of the unconscious and metaphysical wellsprings of a singular poetic gift. And yet it is more. This story is without question the most accurate portrayal to date of the largely uncharted regions of schizophrenia, a compelling and solitary journey into yogic meditation and a massive abuse of cannabis non-indica. Swartz s manic delusion was the very overthrow of God and cleansing of the evolutionary process. After a twelve-day descent into terror, strapped to a hospital gurney, he emerges to an uncertain future and the realization that his whole experience was neither reality, nor, even more strangely, anything approaching fantasy.
