Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If the United States economy ever does collapse, no one will be able to predict it and it will happen very quickly. Imminent collapses are very hard to detect and the collapse of our economy will be no different. All of us should remember 2008, where the U.S economy was on the very brink of collapse when investors withdrew billions of dollars from market accounts. Had those withdrawals gone on any further, things would have been even worse. If the United States economy ever does collapse, you will no longer have access to your credit. The grocery stores will run out of food. The supply lines of basic necessities will come to a screeching halt. The banks will shut down. People will panic. Utilities such as electricity and water will no longer even be available. No longer will we conduct business with cash. Rather, we will have to barter and trade everyday valuable items with others to get what we need. What s more, is that a collapse of the American economy would cause a panic across the globe. Global demand for the dollar will fall rapidly. Investors will turn to other types of currency. Interest rates will skyrocket and the dollar will become practically worthless due to hyperinflation. An entire pile of money won t even be able to buy you a single loaf of bread. In this guide, we are going to discuss how to prepare for the economic collapse and what to do when the collapse happens. Specifically, we are going to cover the following subjects in detail: -Why Will The Economy Collapse? -What Will Happen When The Economy Collapses? -How To Prepare For An Economic Collapse Now -Items...
