## How Hockey Saved the World\*: (\*And Defeated George W. Bush, But Not Necessarily in That Order)

By Alex Charns

iUniverse, United States, 2006. Paperback. Book Condition: New. 223 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.HOCKEY From the Buddhist concept meaning Key to Happiness and Chilly Serenity during Bloody Brawls and Melees. How Hockey Saved the World is the greatest, if only, hockey protest book ever written. It is the often true story of how a middle-aged, overweight American got off the couch long enough to lose weight and learn to play hockey in order to find a magic puck that would end the NHL lockout, unseat President George W. Bush and end the Iraq War. This funny, wry and charming account of a man obsessed is a handbook on how to survive without professional sports while becoming a better parent, achieving world peace and playing hockey, however poorly. After reading How Hockey Saved the World, and seeing the error of my ways, I will resign the Office of the Presidency effective January 15, 2009. President George W. Bush Charns straps on a pair of beaten-up ice skates to take on the NHL and the American Way. The author is many things to many people: a left-wing lawyer working for the good of...

### Reviews

*Very beneficial to all of class of people. I am quite late in start reading this one, but better then never. You may like just how the writer create this publication.*
