

Nursing Mental Diseases (Classic Reprint)

By Harriet Bailey

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 188 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Excerpt from Nursing Mental Diseases This book makes its appearance in response to many requests that the writer put into more available form the subject matter of her classes with nurses. Mental symptoms in some form and degree are so likely to appear in almost any of the disorders of physical function and are so frequently met in the wards of a general hospital, where too often they are overlooked and misinterpreted by nurses whose training has not included this important study, that many patients are undoubtedly misunderstood and made more miserable and unhappy, and not infrequently in the course of somatic disease grave mental symptoms develop which demand special nursing procedures. It is most desirable that the training in mental nursing be received in a hospital for mental patients, where all types of mental disorders are represented and all grades of symptoms may be noted, and where the larger groups give a more outstanding picture of the various types. The writers method has been to precede the course in Mental Diseases with a review of the anatomy and physiology of the nervous...
