Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Oxford and the Rhodes Scholarships: With List of Rhodes Scholars and Other Information Complete to the End of January, 1907 The primary object of this book is to present, in concise form, a large variety of facts which have been and are, in one way or another, of value or importance to those who are interested in the Rhodes Scholarships. The frequency and the diversity of the inquiries which have been made, both officially and unofficially, and especially the questions which have been asked by and of Rhodes Scholars, have suggested the practicability of an attempt to compile an elementary reference-book which shall contain answers to many of these queries.
