Reviews

It is really an incredible publication which i actually have possibly read through. It really is written in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Tantor Media, Inc, United States, 2012. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. There s nothing more frustrating than watching your bright, talented son or daughter struggle with everyday tasks like finishing homework, putting away toys, or following instructions at school. Your smart but scattered child might also have trouble coping with disappointment or managing anger. Drs. Peg Dawson and Richard Guare have great news: there s a lot you can do to help.The latest research in child development shows that many kids who have the brain and heart to succeed lack or lag behind in crucial executive skills -the fundamental habits of mind required for getting organized, staying focused, and controlling impulses and emotions. Learn easy-to-follow steps to identify your child s strengths and weaknesses, use activities and techniques proven to boost specific skills, and problem-solve daily routines. Small changes can add up to big improvements-this empowering book shows how.
