CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: #1 Amazon Best Seller: Proven Strategies For Profitable Penny Stock Investing Short-Term & Long Term Without a strategy achieving success in anything is extremely difficult. Strategies win games, strategies make companies #1 in their industry and strategies make people rich in the stock market. The role that strategies play is visible from the chess board to the Executive Board Room, from the Super Bowl winning NFL team to the full-time day trader. Strategies act as a blueprint and are the foundational piece from which success is built on. Without a developed strategy, a team, company or individual will not know exactly what steps to take when certain events occur, instead their decisions will be impulsive and derived from emotions and immediate satisfaction. Recognizing the importance of strategies is crucial to achieving success in investing, especially in penny stock investing. What is even more critical is the implementation and disciplined execution of a strategy. A different beast than the traditional blue chip stocks, penny stocks contain an element of intrigue and mystery. Often relating to companies who have very little to be...
