Intellectual Property: Law the Information Society - Cases Materials: An Open Casebook: 3rd Edition 2016 (Paperback)

By James Boyle, Jennifer Jenkins

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Intellectual Property: Law the Information Society - Cases Materials 3rd edition (2016). This Open Coursebook is an introduction to intellectual property law, the set of private legal rights that allows individuals and corporations to control intangible creations and marks-from logos to novels to drug formulae -and the exceptions and limitations that define those rights. It focuses on the three main forms of US federal intellectual property-trademark, copyright and patent, with a new chapter on Federal and state trade secret protection-but many of the ideas discussed here apply far beyond those legal areas and far beyond the law of the United States. The book is intended to be a textbook for the basic Intellectual Property class, but because it is an Open Coursebook, which can be freely edited, customized, copied and shared, it is also suitable for undergraduate classes, or for a business, library studies, communications or other graduate school class. A free downloadable version can be found at the Duke Center for the Study of the Public Domain website. Each chapter contains an clear introduction to the field, cases and secondary...
