

## America's Forgotten Student Population: Creating a Path to College Success for GED(R) Completers

By Angela Long, Christopher M Mullin, Story Musgrave

Stylus Publishing. Paperback / softback. Book Condition: new. BRAND NEW, America's Forgotten Student Population: Creating a Path to College Success for GED(R) Completers, Angela Long, Christopher M Mullin, Story Musgrave, "This book sheds some much needed light on an understudied part of our higher education system. Researchers and policymakers should take heed of the potential to tap into the underutilized human capital present in GED Completers as a means to improve national competitiveness and promote individual opportunity." Nicole M. Chestang, Executive Vice President, GED Testing Service "This important book provides a rich set of perspectives on the needs, aspirations, and, yes, potential for success of an often neglected population of college students: those who earned a GED instead of a high school diploma. It is a must-read for college educators who want to understand who these students are and how better to serve them." Davis Jenkins, Senior Research Associate, Community College Research Center, Teachers College, Columbia University This book makes clear that we should no longer consider GED recipients second to high school graduates; rather, with the right kinds of assistance and support they can be just as successful. Betsy Brand, Executive Director, America Youth Policy Forum This is a remarkable...
