BUSINESS OF SUSTAINABLE WINE (PAPERBACK)

Wine Appreciation Guild, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Modern agriculture is the largest single contributor to global greenhouse gas production, deforestation, and water consumption. Biodiversity, climate change, energy, soil degradation, and water scarcity are critical issues. Consumers are increasingly and justifiably concerned about where their food and beverages come from and whether they are produced in a responsible way, often without an understanding of how to determine the provenance of the products they...
