Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How to Keep Your Man Out of My Bed is the result of Mary Knight s long, passionate investigation of the root causes of infidelity. It incorporates her unique perspective as a former call girl, but it also grows out of her spirituality. It never shrinks back from subjects that are considered dark and taboo, but it remains optimistic about the possibility of change-and it provides advice on how to salvage a relationship that s already on the rocks. It offers practical how-to s on a variety of steamy and not-so-steamly topics, and it provokes self-reflection. Filled with stories from her clients lives, she documents how she connected the dots and found inner peace, outer sexiness, and all-around confidence that, given the proper attention, relationships could not only survive but thrive. Drawing on brain research, psychological insights, spiritual tenets, and most of all her own personal experience, this book is a guide to preventing infidelity, and finding peace-with your partner, but most important of all, within yourself.
