Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

PLAYING WITH THE GROWN-UPS (HARDBACK)

Bloomsbury Publishing PLC, United Kingdom, 2007. Hardback. Condition: New. Language: English . Brand New Book. To Kitty, growing up at Hay House, surrounded by bluebell woods and doting relations, is heaven. But for her mother, the restless Marina, a silver-eyed beauty who paints and weeps with alacrity, Hay cannot provide the novelty or excitement she so craves. Swami-ji, Marina s guru, sees her future in New York, and so the family is scooped up and relocated, leaving Kitty exiled in a colourless boarding school. Reprieve comes in the form of the guru s summons to the ashram, but then, just as Kitty is approaching enlightenment, they are off again, leaving everything behind to come back to an England that is fast and unfamiliar. This time no God, man or martini can staunch Marina s hunger for a happiness that proves all too elusive. And Kitty, turning fourteen, must choose: whether to play dangerous games with the grown-ups or to finally put herself first. Witty, lyrical and heartbreaking, *Playing with the Grown-ups* is a modern coming-of-age story that heralds the arrival of a unique new talent.
