Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, Monsters, Mice and Mercy: A Life Redeemed from Abuse (1st New edition), Jenny-May Hudson, Jenny-May Hudson grew up in Pretoria, South Africa, the third child of an Afrikaner father and a British mother. Her childhood was horribly marred by her domineering father, who beat her mother, showered blows and insults on his children, and micro-managed the household with weapons, mind-games, and violence. Ironically, his tactics would come back to haunt him. The years of pain would leave Jenny-May with grim memories. Yet through the power of Christ a transformation was in store. Today Jenny-May is whole and happy. She and her husband Elmore, and their three children, have relocated to Perth, Australia. Jenny-May has developed a considerable speaking ministry, and her journey - from abuse to self-acceptance and joy - has become a source of inspiration to thousands. This book demonstrates that nothing can hold you captive without your consent.
