Pan MacMillan, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. For many fans, David Bowie's Ziggy Stardust era remains the most extraordinarily creative period in his career. As a member of Bowie's legendary band at the time - The Spiders From Mars - Woody Woodmansey played drums on four seminal albums: The Man Who Sold The World, Hunky Dory, The Rise And Fall Of Ziggy Stardust And The Spiders From Mars and Aladdin Sane. Woody's memoir, which he started work on in 2014, focuses on this key period and brings it to glorious life. With the confidence of youth, Woody always thought he'd be in a famous band but the nineteen-year-old rocker from Hull never expected to be thrust into London's burgeoning glam rock scene, and also into a bottle-green velvet suit and girl's shoes. Playing with Bowie took him on an eye-opening and transformative journey. In Spider From Mars he writes candidly about the characters who surrounded Bowie, recalling the album sessions as well as behind-the-scenes moments with one of the world's most iconic singers. The result is an insightful, funny, poignant memoir that lovingly evokes a seminal moment in music history and pays tribute to one of the most outstanding and innovative talents of our time.
